In economia con il termine startup oppure impresa emergente si identifica una nuova impresa nelle forme di un'organizzazione temporanea o una società di capitali in cerca di soluzioni organizzative e strategiche che siano ripetibili e possano crescere indefinitamente. Altre aziende appartenenti ad un altro settore economico possono sperimentare le stesse soluzioni.

Startup (economia) - Wikipedia

When product links are shared in a channel, your team can easily glean the title, status, owner, and more without ever having to leave Slack. Everyone saves time because they're on the same page. Avoid context switching - take action directly from Slack .
