The Therapist As Listener Martin

Don't expect the therapist to tell you what to do. You and your therapists are partners in your recovery. Your therapist can help guide you and make suggestions for treatment, but only you can make the changes you need to move forward. Make a commitment to your treatment. Don't skip sessions unless you absolutely have to.

Strive Physical Therapy | Physical Therapist Offices in ...

The unconditionally accepting therapist will show the client that he is still accepted and valued, even when he makes mistakes. The therapist's positive regard works as a model for the client's acceptance of himself, giving him the message that if the therapist can accept him no matter what he does, he can also accept himself exactly as he is.

What is Unconditional Positive Regard in Psychology?
