At eReaderIQ all the free Kindle books are updated hourly, meaning you won't have to miss out on any of the limited-time offers. In fact, you can even get notified when new books from Amazon are added.

## **William Stallings Data And Computer**

This is the worst textbook I have had in my entire academic career. The information is poorly organized and incomplete. The end-of-chapter questions reference topics that have not been discussed. This book is so bad I have had to control the urge to find where William Stallings works and get him fired.
